

# Digital Transformation with Microsoft Business Application

The Microsoft Business Applications connect customers, products, people, and data. They are infused with data and intelligence. Dynamics 365 connects with Power Platform and Common Data Service for insights, innovation, and connectivity between your data and your business processes.

Booth #  
Y31-Y33

25<sup>th</sup> Macao International Trade  
and Investment Fair (MIF)

23-24/10 at  
The Venetian Macao

To promote the latest Microsoft technology and solution, the 25th Macao International Trade and Investment Fair (MIF) will be hosting at The Venetian Macao from 22-24 October 2020. Gallant will be participating and looking forward to meeting with you at booth number Y31-Y33.

We will demonstrate the latest and localized Microsoft business solutions such as Microsoft Dynamics ERP, Human Resource Management Solution, Microsoft Teams, Microsoft Power BI and Microsoft Power Apps, etc.

Please accept our warmest invitation to visit and share with us your plans for future business development. We look forward to your presence in MIF and the beginning of a successful business relationship..
